

Instruction for store employees to accept San Marcos Coin (SMC) payments

1. Save the Store Account's URL address to your mobile phone (we recommend saving it to your bookmarks)
2. When a customer makes a payment using San Marcos Coins, refresh the Store Account's URL address and make sure that the correct amount is transferred to the Store Account

Watch this video to see it in action: <https://www.youtube.com/watch?v=BODhtn-PqQQ>

3. Deduct the SMC amount from the customer's bill. Each SMC is one US Dollar.

Store setup instructions

1. Download CMT Wallet from www.sanmarcoscoin.com
2. Create a password and save mnemonic words on paper (do not screenshot for security reasons). You will use this account to receive and store San Marcos Coins. So, please keep the password and mnemonic words safe and confidential.
3. Open CMT Wallet
4. Click "Receive"
5. Screenshot the QR code and send it to us at contact@sanmarcoscoin.com
6. We will send you materials you can post on your checkout counter for customers to pay via San Marcos Coin.
